Woodworking

The workshop is located in West Brookfield, MA. Ellan and I take pride in the items that we make here.

All of our products are built one at a time, the “old fashion” way

This ring box is made from reclaimed wood.
The Mahogany is from a discarded park bench
from Franklin Pierce College, NH.
The top is made from a Spalted Hard Maple log
left behind by a logging company in NH.
And the wood used for the bottom is from a
friend's Cherry tree,
